

VISA Account Updater Service Opt-Out Request Form

Visa Account Updater (VAU) is an account updating service in which your Rivertrust FCU Visa debit card is automatically enrolled. When your debit card(s) expire, are lost or stolen and new cards are issued, the VAU service may update relevant card data (card numbers and expiration dates) to appropriate merchants who participate in VAU. This service provides updates to a Visa database only. The database is accessed by those qualified merchants seeking your account information after you have requested they process a recurring payment or payments. The service is provided as a free benefit to you to help facilitate uninterrupted processing of your recurring payments.

If you wish to opt-out of the VAU service, please complete the information below:
